Club Spotlight/ Ramblings

Ma- Ma- My Mama says that Ford owners are ornery because they got all them car payments and got nothing to drive.

Mainstreet Cruisers is an Edmonton not-for-profit car club established in 1993 to provide a meeting place for people with an enthusiasm for the old car hobby. Our members own vehicles from 1915 up to and including the newest vehicles. Owning a vehicle is not even a requirement simply a keen interest will make you more than welcome!
