## Secretary's Message

Spring is finally here!!

Winter in Alberta seems to be so long and this winter has been especially long and cold. It's nice to have the snow melting and have warm sunny days ahead of us driving around town with your windows down. I am sure we are all excited to get those streets cleaned so we can bring our rides out of hibernation. I know I have spring fever.

Last month we had a great turn out for the garage tour at The Iron Garage. We had yummy pizza, lots of laughs and fun guessing the horsepower on the Trackhawk. That sure got the blood pumping watching and listening to the runs on the dyno. Who wouldn't want a 700 HP supercharged hellcat as a grocery getter!

The only thing missing from the Iron Garage was our beloved Miranda. However we all understood why she was missing and can't wait to meet our newest little member. Congrats Miranda, Coleman, and Elvira. Welcome Eleanor.

There is lots of excitement about Western Mopar Madness. I know many of us have put in lots of work to make this event a success and we hope this will be the first of many more to come. Thanks to all of you that are working behind the scenes.

I hope to chat with many of you in the upcoming events.

Nicole Shermack, Secretary

## Events/ Garage Tours

Car show Season is about to begin.

April 26 NPBRA show and shine in Grande Prairie

June 1 there is the Black gold Rodeo sponsored by Leduc Chrysler.

July 27 is Western Mopar Madness, if you have not registered please do so as this is our show and we will not be hosting the EMA Iron

Garage show this year.

August 10 Central Alberta Mopar Association show and shine in Red Deer.

August 18 we have our club meet at Crosstown, come out for a burger and chat with your fellow EMA members.

---

## Future Business

To help make our newsletter a success we are going to need help from all of you.

We are going to have a Members Business section. If you or your spouse has a business that you would like mentioned in our future issues, please send a picture of your business card (if you have one) and contact info so we can support each other. This information will only be available to current paid members through the newsletter.

We would also like to have a membership section. If you wish to have your name, vehicle info (year and model), phone number and email made available through the newsletter please email us with permission. This information will only be available to current paid members through the newsletter in hopes of connecting with each other and recognizing each other a bit more.

There is also going to be a Wanted/Needed section. If you have anything you would like to give our members first pick at, please send a detailed email with pictures, prices and your contact info.

In keeping with getting to know each other better, there will be a Members Ride section. If you would like to be our featured member for an upcoming month please send pictures and a write up on your vehicle. It's always nice to see what has been done to a vehicle as well as the history.

---

## Upcoming Issues

With all the work that has been done hunting down classic race cars for Western Mopar Madness, Ed has gathered a lot of information about Edmonton's racing history and the Mopar Mavericks. In the upcoming issues Ed is going to share some of what he has learned with us. I myself know some of Edmonton's rich race history and I am excited to hear more about it, especially since some of the iconic cars will be at our show this summer. Edmonton was a big player in the racing scene until 1982 in which we were home to very important drivers, cars and historic races. Ed has gathered so much information that it might take a few issues to get it all out.

---

Funny of the Month

**Thank you** all for taking the time to read our newsletter, if there is something you would like added to this in the future please don't hesitate and send off an email to us at:

**secretary@emawmm.com** or  
**communication@edmontonmoparassociation.com**

Have a great month and see you all at the next meeting!
